UN-DUZ-IT

UN-DUZ-IT™ Pet Odor and Stain Remover

The only product needed for complete urine stain & odor removal!

- All-in-one formulation uses oxidizers with enzymes and odor eliminators for accelerated results
- Eliminates odors and stains caused by urine, vomit, feces and wet animals
- Use it on virtually any water-cleanable surface – carpet and upholstery including wool, plus hard porous surfaces (e.g., concrete, wood, plywood, natural stones, grout, quarry tile, bricks, etc.).

Before application, pretest for colorfastness in an inconspicuous area. DO NOT use on aluminum or leather.

CAUTION: DO NOT mix or use with any other product.

Directions:

Carpet and Upholstery: Spray until surface is wet. Allow product to sit for 30 minutes. Blot treated area with a wet cloth, then with a dry paper towel. Blot until dry.

Outdoor areas, including walls, sidewalks, etc.: Spray product liberally on surface and let dry.

Cat litter boxes: Spray product over kitty litter once every two days to help eliminate cat urine odors.

Where cats spray—indoors and outdoors: Spray product on the affected area, let it sit for a few minutes, and then wipe surface.

If urine has reached carpet backing and flooring, follow instructions below or call a professional carpet cleaner.

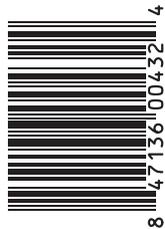

- 1) Thoroughly saturate affected area, including all pad, subfloor or concrete.
- 2) Let saturated areas stay wet for at least 1 hour.
- 3) Using a carpet cleaning machine, rinse thoroughly using cold or warm tap water.
- 4) Use a carpet fan to accelerate drying.

CAUTION: Avoid contact with eyes and skin. Use in a well-ventilated area.

Do not breathe mist or swallow. **FIRST AID:** If in eyes or on skin, flush or rinse with plenty of water. If ingested, do not induce vomiting. If inhaled, move person to fresh air. Call Infotrac (800-535-5053) or doctor if symptoms persist.

HANDLING & STORAGE: Keep container tightly close when not in use. Store in a well-ventilated place. Keep cool; exposure to high temperatures or sun may cause bottle to swell.

Contents: Water, proprietary components, alcohols, c12-15, ethoxylated, sodium xylene sulfonate, dipropylene glycol, fragrance blend, sodium sulphate, hexyl cinnamal, tetrasodium EDTA
